Permit Issued by Suzy Williams, Permit Technician

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
Inspections are required on all permits. To schedule an inspection, visit the Community Development Department Permit Portal at www.OrangeBeachAL.gov/CDDportal.

TARVER SERVICES INC
P O BOX 1438
JACKSON, AL 36545
(251) 769-1359

Work Description & Permit Notes:

- Job Valuation: $6,900.00 - Build 12ft x 48ft lean to porch top. Tying in to existing roof. Set 6x6 posts two ft deep in concrete outside of existing slab. 6x6 posts on 12ft centers. Notch 6x6 for double 10x10 header beam. Attach header beam to 6x6 posts with 8in timber screes. 2x8 rafters on 2ft centers. Attaching to existing rafters on house with timber screws and hurricane straps. Hurricane straps from rafter to header beam. 5/8 plywood decking with ice and water shield. 29g metal roofing and trim. 2x6 fascia boards.

EDIT MADE ON 01/19/2021:
The 6x6 posts will be attached to existing concrete slab with anchors to code instead of put in the ground. The header beams will be double 2x8s instead of double 2x10s. Please contact Andy Tarver if you have any questions 251-769-1359. Thank you!

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at www.OrangeBeachAL.gov/CDDportal.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.
The applicant hereby agrees that all work will comply with the applicable provisions of the 2017 National Electrical Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at www.OrangeBeachAL.gov/CDDportal.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.
The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Fuel Gas Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at www.OrangeBeachAL.gov/CDDportal.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.
The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Contractor:

OWNER BUILDER

,

Work Description & Permit Notes:

- Replace existing sign with new one. The total sign dimensions will be 9 feet 6 inches wide by 12 feet tall. The setback off of canal road will be 7 feet and the setback off the east side property line will be 10 feet.
- A sign permit shall be valid for a period of ninety (90) days from the date of its issuance as noted on the permit. Unless a thirty (30) day extension is granted for good cause shown by the Sign Administrator, failure to erect or complete the otherwise approved work related to the permitted sign within such ninety (90) day period shall result in the expiration of such permit.
- All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
- Final inspections are required on all permits. To schedule an inspection, visit the Community Development Department Portal at www.OrangeBeachAL.gov/CDDportal.
